(Jack Clement)

There's a picture that I carry
One we made some time ago
When they ask who's in the picture with me
I say just someone I used to know.

Just someone I used to spend some time with
Just a flame that's lost its glow
But I don't tell them of the nights I cry without you
I say just someone I used to know.

Just someone I used to run around with
Just a friend of long ago
I don't tell them just how lost I am without you
I say just someone I used to know.

I say just someone I used to know...
