Cause your love takes good care of me
yes your love takes good care of me

And when the rain falls and the wind blows and the
storm is on the sea

I'll be safe your love takes care of me

When life for me gets weary and the sun refuses to
shine

I run to the arms of the one I love and there I'll hide
You know just what to do and say you make my life
worthwhile

And when I look into your face I see heaven in your
smile

And your love...

Oh I'll be safe your love takes care of me
