"Love's Farewell"

The time has come for me to leave you cryin'
But love is priceless when it's stained with tears
Love has wings and my love is ever flyin' in its way to
you through endless years
Love's young dream foretells no separations that
sacred flame can burn reality
Yet life deals out its own destinations and sunshine
turns to darkness so suddenly
Time had touched me gently in the face and
consolation I must try to find
To leavin' deaf I leave you no disgrace and I'll live
within the heart I leave behind
Mhm mhm mhm mhm
