(Johnny Tillotson - Lucille Cosenza)

You've broken my heart and now the tears start to fall  
Why should I go on carrying if there's no love at all  
You've shattered my dreams and now the heartaches  
began  
We're playing a game of pretend cause there's no love  
at all.

No love and no one so there's not much left of me  
Once I've thought you loved me but look how wrong a  
girl can be  
You've broken my heart but someday I'm sure you're  
gonna find  
You'll slowly go out of your mind if there's no love at all.

--- Instrumental ---

You'll slowly go out of your mind if there's no love at  
all...
