Put it off until tomorrow, oh oh, you've hurt me enough
today
You say our love is over, that you have found another
And you say you're going away

Leave me tomorrow, oh oh, you've hurt me enough
today
I've hurt me enough today, you can't believe a word
that I say
But you must accept the fact I won't be coming back

Oh, but stay, stay just one more day, loneliness isn't far
away
Put it off until tomorrow, oh oh, you've hurt me enough
today
Put it off until tomorrow, oh oh, you've hurt me enough
today
