(Curly Putman)

Well, if you think you've had enough  
If you think our life's been rough  
Well, why not take your love line off of me  
Oh, set me free.

And if you think our love's all wrong  
And you feel the fire is gone  
If I'm not what you'd like me to be  
Then set me free.

Set me free and let me fly  
Like a bluebird flyin' high  
Release the chains that bind me to thee  
And set me free.

I hope that you're the kind  
That likes to hold on and on and on  
Hold on to love till it grows so cold  
And you hold on much too long to me  
So why don't you set me free?

Set me free and let me fly  
Like a bluebird flyin' high  
Release the chains that bind me to thee  
And set me free.

Set me free...
