(Webb Pierce - Tommy Hill)

Slowly, I'm falling  
More in love with you  
Slowly, you're winning  
A heart that can be true.

I can't hide my feelings  
No matter what I do  
For slowly, I'm falling  
More in love with you.

--- Instrumental ---

More and more I need you  
And want you by my side  
More and more I love you  
As each day passes by.

No need to hide my feelings  
For it's so plain and true  
That slowly, I'm falling  
More in love with you...
