(Don Gibson)

Sweet dreams of you
Every night I go through
Why can't I forget you
And start loving someone new
Instead of having
Sweet dreams about you.

You don't love me it's plain
I should know you'll never wear my ring
Yes, I should hate you, oh, the whole night through
Instead of having sweet dreams about you.

Sweet dreams of you
Every night I go through
Why can't I forget you
And start loving someone new
Instead of having
Sweet dreams about you.

Sweet dreams of you...
