Why must you always try to make me over?  
Take me as I am or let me go  
White lilies never grow on stalks of clover  
Take me as I am or let me go

You're trying to reshape me in a mold love  
In the image of someone you used to know  
But I won't be a standing for an old love  
Take me as I am or let me go

You've tried to change me ever since you met me  
Take me as I am or let me go  
If you can't overlook my faults, forget me  
Take me as I am or let me go

Oh, you're trying to reshape me in a mold love  
In the image of someone you used to know  
But I won't be a standing for an old love  
Take me as I am or let me go
