(Fred Rose - Hy Heath)

Take these chains from my heart and set me free  
You've grown cold and no longer care for me  
All my faith in you is gone still the heartaches linger on  
Take these chains from my heart and set me free.

Give my heart just a word of sympathy  
Be as fair to my heart as you can be  
And then if you no longer care for all the love that's  
beating there  
Take these chains from my heart and set me free.

Take these chains from my heart and set me free  
You've grown cold and no longer care for me  
All my faith in you is gone still the heartaches linger on  
Take these chains from my heart and set me free...
