(Buffy Sainte Marie)

You're not a dream, you're not an angel you're a man
I'm not a queen I'm a woman, take my hand
We'll make a space in the lives that we planned
And here we'll stay until it's time for you to go.

Yes we're different worlds apart we're not the same
We laughed and played at the start like in a game
You could have stayed outside my heart but in you
came
And here you'll stay until it's time for you to go.

Don't ask why
Don't ask how
Don't ask forever but love me
Love me now.

This love of mine had no beginning it has no end
I was an oak now I'm a willow now I can bend
And though I'll never in my life see you again
Still I'll stay until it's time for you to go.

Don't ask why of me
Don't ask how of me
Don't ask for me love me
Love me now.

You're not a dream, you're not an angel you're a man
I'm not a queen I'm a woman, take my hand
We'll make a space in the lives that we planned
And here we'll stay until it's time for you to go...
