(Charlie Louvin - Ira Louvin)

When I stop dreaming that's when I'll stop loving you.

Well, the worst that I've ever been hurt in my life  
The first time I ever have wanted to die  
Was the night you told me you found someone else  
And asked me if I could forget  
When I stop dreaming that's when I'll stop loving you.

You may teach all the flowers to bloom in the snow  
You may take a pebble and teach it to grow  
You may teach all the raindrops to return to the clouds  
But you can't teach my heart to forget  
When I stop dreaming that's when I'll stop loving you...
