You give your hand to me and then you say hello
And I can hardly speak my heart is beating so
And anyone can tell you, think you know me well
But you don't know me

No you don't know the one who dreams of you each
night
Longs to kiss your lips and longs to hold you tight
To you I'm just a friend that's all I've ever been
You don't know me

I never knew the art of making love
Though my heart aches with love for you
Afraid and shy, I let my chance go by
The chance you might have loved me too

You give your hand to me and then you say goodbye
I watch you walk away through these tear dimmed eyes
You'll never never know the one who loves you so
You don't know me

You give your hand to me and then you say goodbye
I watch you walk away through these tear dimmed eyes
You'll never never know the one who loves you so
You don't know me
