(Leon Payne)

If the one you'd think is true ever turns her back on you  
You've still got a place in my heart  
If the years should make you cry don't go on and live a  
lie  
'Cause you've still got a place in my heart.

If I'm a fool to pray that you'll come back some day  
Well, then I'll know a million fools that love has made  
that way  
And if every road you take proves you've made a big  
mistake  
Well, you've still still got a place in my heart.

If I'm a fool to pray that you'll return some day  
Well, then I'll know a million fools that love has turned  
that way  
And if every road you take proves you've made another  
mistake  
Sweetheart you've still got a place in my heart...
