She likes extraordinary sentimental things
So I tried to make her smile
That's when the room started shaking
From my double taking
And my jaw dropped down a mile
And my friends tried to tell me
It was an accident
But I'll never be the same
I saw those pretty brown eyes
Smiling back at me
As I whispered what's your name

And she said:

Stella!
Jessica!
My name is Matilda!
Stella!
Jessica!
Get it right
Or I'll beat ya!

Stella!
Jessica!
Well... ll
Please to meet ya
Stella!
Jessica!
Oh... wow...
Wow...

She had all her friends around her
When I broke the ice
And she said she was a nurse
Wearing panties over pants
She brought us a beer
And I'm glad I saw her first
Cause a friend of mind showed up
Just a little late
And I guess I am to blame
He said
Everybody needs another round of shots

And he asked her
What's your name

And she said:

Stella!
Jessica!
My name is Matilda!
Stella!
Jessica!
Get it right
Or I'll beat ya!

Stella!
Jessica!
Well... ll
Please to meet ya
Stella!
Jessica!
Oh... wow...
Wow...

(Guitar solo over chorus)

Stella!
Jessica!
My name is matilda!
Stella!
Jessica
Get it right!
Or I'll beat ya!

Stella!
Jessica!
Well... ll
Please to meet ya
Stella!
Jessica!
Oh wow... wow...

Well the party wasn't over
It was going great
When I heard her shot one more
But by the time I found my way
Back from the bar
She had found the door
And the room smelled of orchids
That's her favorite flower
So I guess she'll live in fame
As those pretty brown eyes
Smiling back at me

As I whispered what's your name...

My- name- is- Matilda!
