Verse:

Before I said I love you and I do
Before you strayed away a time or two
Before you said I miss you and I'm gone
Before I found the strength to just move on

Chorus:

You turned around
You walked away
You made me into who I am
You're not the cure
You're not the cause
Of Fleeting thoughts inside my head
And at first I loved
At first I loved

Verse:

Before we made a baby you made three
Before you changed the locks and hid the key
Before I had a reason to be wrong...
Before I found another woman's thong!

Chorus:

You turned around
You walked away
You made me into who I am
You're not the cure
You're not the cause
Of Fleeting thoughts inside my head

Bridge:

You pulled me down
You tried me on
You robbed me
Of my innocence
And at first I loved
At first I loved

(Solo: Over verse)

Outro:

I-T w-i-s-t twist twisted

I-T w-i-s-t twist twisted
I-T w-i-s-t
And at first I loved
At first I loved
I-T- w-i-s-t twist twisted
I-T- w-i-s-t... TWISTED!
