One thousand people yell,  
They're shouting my name,  
But I wanna die in this moment,  
I wanna die,

And one thousand people smile  
They're smiling at me  
But I wanna die in this moment,  
I wanna die,

No way to understand  
Why I've become the way I am,

And then the sky if filled with stars,  
I find a place inside my heart,

Some people can take a blow  
And they won't ever drop,  
But I wanna die in this moment,  
I wanna die,

She will tell me she loves me  
And she won't ever stop,  
But I wanna die in this moment,  
I wanna die,

A coldness in my soul  
And I reach out for her to hold,

And then I watch her close her eyes,  
It's only me that needs to cry

And if I stay with you,  
Do you believe that I'll pull through?

No way to understand  
Why I've become the way I am,

And then the sky is filled with stars,  
I find a place inside my heart,  
And then I watch her close her eyes,

It's only me that needs to cry,

One thousand people yell,  
They're shouting my name,  
But I wanna die in this moment,  
I wanna die.
