\* first single; send corrections to the typist

[DMX]

Yea, DMX

Straight out of ATL

Ya' Mean

We got Yung Wun, choppin that thing baby

Once Again, Swiss Beats, Full Surface

[Yung Wun]

Bounce, Bounce

When I'm drunk in the club, I might just start sum shit

Block party in the hood, I might just start sum shit

Underground Downtown, I might just start sum shit

Gimme the keys to the city, I'ma lock this bitch

They aint gon take me alive and you can bet dat

Hit 'em where the chest at

Hit 'em where the neck at

Show me where the rest at

They in the same building livin' like a mess pack

four miles from where the deck at

Bet Dat, Shawty

You and me gonna ride over to the other side

Its time these motherfuckers die

First make a prank call and get the kids out the house

I aint tryin to kill no kids, but I'ma turn they lights out

[chorus 2x : DMX]

AAAAAAHHHH, Tear it Up, Let me see you Tear It Up

All across the board we gone Tear It Up

We gon bounce it till the beat cut off

We gon rock thiis motherfucker till the wheels fall off

[David Banner]

Tennessee motherfucker, hock a dick in your mouth

East Lake till I die, smokin dro in the drought

I make a bitch give me money then I'm kickin her out

I spit game to your wife, then we robbin your house

Y'all niggaz love that way that we grippin the grain

If you got it and I want it, I aint callin your name

Just lay it down, Fuck Boy, like I'm ballin G

You get your chest in your lap bitch for fuckin with me

[chorus 2x]

[ LII' Flip]

You might catch me at the Rose Bowl game

In a 4-door range

With a Rose gold chain

Wrapped around my neck

Or I might be flashin' in a white jeep wagon

With my arm out the window, grippin' a Tech

Dawg, get it right, I got Houston on lock

I kit it right, I switch the lights every time I buy a drop

Homey, You got Swiss on the beat

I gotta come with the heat

It's David Banner, Yung Wun, and F-L-I-P
