(W. Naraine/ F. Amato/ I. Godani/ F. Alberti)
You're in my soul, you're in my mind
No matter what you do, no matter what you say
I won't runaway like yesterday
I'll only dream of you, forever night and day
Loving you is killing me
No matter what you do I'll never forget you
But you're gone and you're not coming back
No matter what I say, no matter how I pray
This game is us and it's the game of love
It's a losing thing where nobody wins

But we have loved and mabe we have lost
That's how I feel inside
Send away the rain, send away the pain
But didi you know your life isn't just the same
Send away the rain, send away the pain
Just give me back the light or I'll go insane
Send away the rain, wow wow
(repeat all)
