Chorus I

Tell me baby what are we going to do
tell me baby what are we going to say
and everytime I try to walk away
and everytime you want to hear me say
I can't sleep without you I trust in your love
I never wanted us to end this way
and everytime it's just a game you play
when you walk out the door oh my girl

Chorus II

Is beautiful
she means all the world to me
she's beautiful

she means all the world it's extasy

Repeat Chorus I

And we remembered all our yesterdays
try to give me just another day
please don't walk out that door oh my girl

Repeat Chorus II

She's beautiful
she means all the world
she's beautiful (6x)
