Don't be afraid now
afraid now (4x)
You are the victim of the human race
I'll pray for your sorrow, man without a face
beg, steal and borrow, do just what you can
there's hope for tomorrow, believe in today
Look a minute at your home (3x)
tonight
It's a wonderful world to be living in (4x)
Give him a future we know what to do
heaven is the answer, were knocking at it's door

Look a minute at your home (3x)
tonight
It's a wonderful world to be living in (4x)
Don't be afraid now, time will tell the thruth
Look a minute at your home (3x)
tonight
It's a wonderful world to be living in (9x)
