Dont Twist
Dont Twist
Dont Twist
Dont Twist

Dont Twist, just move your feet.
Dont Twist, just move your feet.
Dont Twist, just move your feet.
Dont Twist, just move your feet, move your feet move
your feet.

Cause if you get caught fucking around,
Lee will come to your house and stomp your ass to the
ground

Dont Twist, just move your feet.
Dont Twist, just move your feet.
Dont Twist, just move your feet.
Dont Twist, just move your feet, move your feet move
your feet.

Cause if you get caught, then you will see
Blake will come to your house and serve your ass some
tea

Dont Twist, just move your feet.
Dont Twist, just move your feet.
Dont Twist, just move your feet.
Dont Twist, just move your feet, move your feet move
your feet.

Cause at the after party you know where we'll be
hanging out with Ferg and his friends Otis and T.D.

Dont Twist, just move your feet.
Dont Twist, just move your feet.
Dont Twist, just move your feet.
Dont Twist, just move your feet.
