Mama let that boy, play some rock n' roll
Jazz is much to crazy
He can play it when he's old
He's too young for the blues
He's still inside his first pair of shoes
(He's just a baby)

Give that boy some freedom
Let him move around
Don't get in his way
You'll only bring him down

Mama won't you let him
Let him play some rock n' roll yeah
Let him play some rock n' roll
Let him play some rock n' roll
Let him play some rock n' roll

Oh Yeah
All Right
Come on now

Mama let that boy, play some rock n' roll
Jazz is much to crazy
He can play it when he's old
He's too young for the blues
He's still inside his first pair of shoes
(He's so young)

Give that boy some freedom
Let him move around
Don't get in his way
You'll only bring him down

Mama won't you let him
Let him play some rock n' roll yeah
Let him play some rock n' roll
Let him play some rock n' roll
Let him play some rock n' roll

Oh Yeah

Well Come on now

Mama let him play, Let him play
Mama let him play, Let him play
Mama let him say, what he wants to say yeah

Mama let him play, Let him play
Mama let him play, Let him play
Mama let him say, what he wants to say

Let him play some rock n' roll
Let him play some rock n' roll
Let him play some rock n' roll

Get on baby
Whoo hoo hoo
Bring on

Mama let him play, Let him play
Mama let him play, Let him play
Mama let him play, Let him play
Mama let him play, Let him play
Mama let him play, Let him play
Mama let him play, Let him play
Mama let him say, what he wants to say
Let him play some rock n' roll
Let him play some rock n' roll
Let him play some rock n' roll
