Baby, do you understand me now?  
Sometimes I seem a little mad  
Don't you know no one alive  
Can always be an angel  
When things go wrong, you're bound to see some bad

I'm just a soul whose intentions are good  
Oh Lord (oh Lord), oh Lord  
Please don't let me be misunderstood  
I've tried so hard not to be misunderstood

Baby, oh I'm so carefree  
With a joy, a joy that's hard to hide  
Then, in other times  
All it seems I have is worry  
And then you're bound to see my other side

I'm just a soul whose intentions are good  
Oh Lord (oh Lord), oh Lord  
Please don't let me be misunderstood  
I've tried so hard

When I got edgy, I want you to know  
That I never meant to take it out on you  
Life has it's problems, oh, I get more than my share  
But that's one thing I never meant to do

Baby, oh, I'm just human  
I've got my thoughts like any one  
(Don't let me be misunderstood)  
Sometimes I find myself alone and I'm regretting  
Some foolish thing, some stupid thing that I have done

I'm just a soul whose intentions are good  
Oh Lord, please don't let me be misunderstood  
Oh Lord, please don't let me be misunderstood  
Oh Lord, please don't let me be misunderstood  
I've tried so hard...
