If you want to know who we are  
(If you want to know who we are)  
We are gentlemen of Japan  
(We are gentlemen of Japan)

Shall I baby-sit for your sister Gwen?  
I shall run 'round her house naked and try on her  
underwear  
Oh have I said something wrong again?  
Shall I baby-sit for your sister Gwen?

Will you let me be your cocker spaniel pup?  
Punish me for disobedience, rub my nose in it  
You can treat me rough, rough, rough  
If you let me be your cockerspaniel pup

Or push bamboo shoots up my arse  
Beat me with piping while you wear a latex mask  
I'm so shy I dare not ask  
Will you push bamboo shoots up my arse?
