Sha la la la la la la  
Sha la la la la la...

I fuck dogs  
In the park  
After dark  
When the moon is a pie in the sky

The Great Dane is too tall  
Chihuahuas are too small  
But the dog that I like to quell lonely nights  
Well, the dachshund is best of all  
'Cos he is longer than he's thin  
He loves to let me in  
His eyes swell with love, he fits like a glove  
And that's why he's man's best friend

I fuck dogs, I fuck dogs  
We all fuck dogs in the park  
She fucks dogs, she fucks dogs  
We all fuck dogs in the park

He's got bed bugs, ticks and nits  
When he scratches then I itch.  
But the kennel is cramped and though he's a scamp  
Life with a dog is a bitch

You'll never be alone  
If you give the dog a bone  
I'm not weird, we don't kiss  
But the problem is this: his bark (woof woof woof woof  
woof woof!)  
Is worse than his bite

I fuck dogs  
In the park  
After dark  
When the moon is a pie in the sky  
And I'm not... proud

(AROOO!)
