I bet you're wonderin' how I knew  
'Bout your plans to make me blue  
With some other guy you knew before  
Out of the two of us guys you know I love you more  
It took me by surprise, I must say  
When I found you yesterday

Dear God, I heard it through the grapevine  
Not much longer would you be mine  
No, no, I heard it through the grapevine  
And I'm just about to lose my mind  
Honey honey, yeah

(Heard it through the grapevine, not much longer  
would you be my baby)  
Honey, honey, I know  
(Heard it through the grapevine, not much longer  
would you be my baby)  
That you're letting me go  
(Heard it through the grapevine)

Now I know that a man ain't supposed to cry  
But these tears I can't hold inside  
Losin' you would end my life, you see  
Because you mean that much to me  
You could have told me yourself  
That you loved someone else

Instead, I heard it through the grapevine  
Not much longer would you be mine  
No, no, I heard it through the grapevine  
And I'm just about to lose my mind  
Honey honey, yeah

(Heard it through the grapevine, not much longer  
would you be my baby)  
Honey, honey, I know  
(Heard it through the grapevine, not much longer  
would you be my baby)  
That you're letting me go  
(Heard it through the grapevine)

You can't hide what I've seen  
And you can't hide what I've heard  
But I can't stand to be confused  
So if it's true you'd better tell me, dear  
Do you plan to let me go  
For the other guy you loved before?

Dear God, I heard it through the grapevine  
Not much longer would you be mine  
No, no, I heard it through the grapevine  
And I'm just about to lose my mind  
Honey honey, yeah

(Heard it through the grapevine, not much longer  
would you be my baby)  
Honey, honey, I know  
(Heard it through the grapevine, not much longer  
would you be my baby)  
That you're letting me go  
(Heard it through the grapevine)  
Honey, honey, I know  
(Heard it through the grapevine, not much longer  
would you be my baby)  
That you're letting me go  
(Heard it through the grapevine)  
Honey, honey, I know  
(Heard it through the grapevine, not much longer  
would you be my baby)  
That you're letting me go
