Uno cerveza! Uno, dos, tres, quatro!  
Ein Volk, ein Reich, ein cha-cha-cha!  
Ein Volk, ein Reich, ein cha-cha-cha!  
Arriba!

Here comes the German Reunification  
Catch the plane to Buenos Aires  
Find the new generation  
On the autobahn with Speedy Gonzales  
Hey da, hey da da, hey da da  
Hey da, hey da da, hey da da  
Eating nachos in the sun  
South America, here I come

I want to be a Mexican Hitler  
Viva la Fuhrer! Viva la Fuhrer!  
Mussolini in a white sombrero  
Viva la Fuhrer! Viva la Fuhrer!  
Here comes the new law and the new order  
Reichstag's burning south of the border  
When you're low, where can you go? Where to?  
Mexico!

We'll find a small Peruvian village  
Just like Poland we'll burn, rape, pillage  
Drink Tequila then siesta  
With Goering, Goebbels, Himmler and Kessler  
Hey da, hey da da, hey da da  
Hey da, hey da da, hey da da  
Then I'll quench my evil desire  
By setting Eva Braun and Blondie on fire

I want to be a Mexican Hitler  
Viva la Fuhrer! Viva la Fuhrer!  
While Franco dances a Spanish rumba  
Viva la Franco! Viva la Fuhrer!  
Who's that in the Volkswagon car?  
It's the little old Nazi from Pasadena!

I met a knee slapping senorita  
Who worked for a peso on Salon Kitty

Big girls love dick-tators  
But the ones that do aren't pretty  
I said here comes the fourth Reich baby  
And if the propaganda works one day  
Then we'll all be goose-stepping  
In Cal-if-orn-i-a

I want to be a Mexican Hitler  
Viva la Fuhrer! Viva la Fuhrer!  
While Saddam lambadas  
Viva la Saddam! Viva la Fuhrer!  
It's a triumph of the will  
Here come the three boys from Brazil  
Hey-ho off we go  
Where to? Mexico!

Mexico! Ole!
