Skippy's all grown up, he's not a joey anymore
He's interested in getting pissed and passing out on
the floor
He glassed Mat Hammond with a bottle of stout
And threw a dart in Sonny's eyes before he ripped it out

Who's that walking on air?
Bouncing down the street without a care?

It's skinhead Skippy, the killer kangaroo
With blood soaked boover boots and a racist attitude
A mean fucking mother's son
Not afraid of anyone
Got the others on the run
Here he comes, here he comes
Skippy the skin, Oi!
Tch, tch, tch, tch, tch, Oi!

Skippy's got a tattoo and he's gone and shaved his
head
He's dating wallabies half his age
And getting them into bed
He says his old friends are all miserable pricks
They're married now or dead and gone
Or mentally sick

Who's that walking on air?
Bouncing down the street without a care?

Well, my friend Flicka died in "Man From Snowy River
2"
Benji got the snip and tuck and now he's sniffing glue
Milo and Otis died at least eight times over
Rin Tin Tin blindly humps the leg of his owner
Flipper became sushi
Mr. Ed loves drag
Lassie's a transvestite
And Gentle Ben, Gentle Ben's a fag

Who's causing havoc on the docks?
In a pair of coloured braces and cherry red docs?

It's skinhead Skippy the fascist kangaroo
With a blood soaked Stanley knife
And a racist attitude
He'll wait until you're all alone
Crack your skull, break your bones
Send the pieces to your home
He's a one
All in fun
Skippy the skinhead
Tch, tch, tch, tch, tch, tch, tch, tch - Oi!
