Chorus I

There's a feeling that you can't go on
there was love and you were strong
all day you just look around
baby here's my life

Chorus II

You know you can't just run away
just stick around for just another day
'cause you know I can't take it no more

Chorus III

You are the one and only hope of mine
don't throw away again another time
you are the one and only hope of mine
you are the one and only love

Repeat Chorus I

You can't run away for just a second time
I was waiting for you
'cause you know I can't take it no more

Repeat Chorus III

Repeat Chorus II

Repeat Chorus III

You know you're my baby

love of mine

you are the one and only love

there's a feeling that you can't go on (3x)
