She was gifted in warfare, sweet as a sparrow
Bom ba-ba bom bom bom bom
Her sword was truth, her faith her armour
Bom ba-ba bom bom bom bom

Oh Joan of Arc, Joan of Arc
Joan of Arc, oh Joan of Arc

There was a bone of contention about her gender
Was she male or female,
Or some weird hybrid, we dare not mention,
Where did the dominant genitals prevail?
Was the Maid of Orléans a man-made maid?

Oh Joan of Arc, Joan of Arc
Joan of Arc, oh Joan of Arc

I think I love her - cos she's hot
I think I want her - quite a lot
And it's a pity that she's not - alive

They put her on the boil just like a lobster
Bom ba-ba bom bom bom bom
And cooked her up in a suit of
Tin tin-tin tin tin tin tin

Oh Joan of Arc, Joan of Arc
Joan of Arc, oh Joan of Arc

Oh Joan of Arc
