Broken down ditch water brown
Pure radiance in another dead city
I heard a voice alluring and cool say
"Live to ride, ride to live, hey!"
Engine's blown, the gasket's shot
Mercy, mercy, to a grinding halt
Stench of petrol, brand new matyrs
"Live to ride, ride to live, hey!"

Motorcycle St. Sebastian
You're a leather clad lad, you're a rascalion
They hit you once
They hit you twice
That's the sort of shit you like
Motorcycle St. Sebastian!

Lit like a live fuse, never settled
Come on child, press the pedal to the metal
Got a one way ticket, no turning back
"Live to ride, ride to live, hey!"
No one leaves they just move on
Never forfeit your dignity
Diesel heart, pure air in your lungs
"Live to ride, ride to live, hey!"

Motorcycle St. Sebastian
You're a leather clad lad, you're a rascalion
They hit you once
They hit you twice
That's the sort of shit you like
Motorcycle St. Sebastian!

Yet the will rolled onward like a wheel
In even motion by love impelled
That moves the sun in heaven and the stars
"Live to ride, ride to live, hey!"

Motorcycle St. Sebastian
You're a leather clad lad, you're a rascalion
They hit you once
They hit you twice
That's the sort of shit you like

Motorcycle St. Sebastian!

Yet the will rolled onward like a wheel
In even motion by love impelled
That moves the sun in heaven and the stars
"Live to ride, ride to live, hey!"

Motorcycle St. Sebastian
You're a leather clad lad, you're a rascalion
They hit you once
They hit you twice
That's the sort of shit you like
Motorcycle St. Sebastian!
Motorcycle St. Sebastian!
Motorcycle St. Sebastian!
Motorcycle St. Sebastian!
Motorcycle St. Sebastian!
Motorcycle!
Motorcycle!
Live to ride, ride to live, hey!
