We're talking to a blind cripple woman with a hairy back
who claims to be be Michael Jackson's only secret
friend

We'll take a break and be back in 3
1, 2, 3

Phil Donahue, we love you

Sally Jesse Raphael, the southern bell is oh so swell
but hope for a gun, hope for a gun

Hope for a gun just to kill, kill, kill, kill

Hope for a gun, Hope for a gun,

Hope for a gun just to kill Oprah Winfrey

Be yourself, be yourself

My name is Caroline of North, I'm from Noth Carolina!
(Be yourself)

I don't know how many of you know this but even
as I speak I'm being sodomised by a ghost
(let her finish)

In my previous existence I was queen Nepatiti of Egypt
(me too, me too)

and at the moment I'm a member of the church of latta
day channelers

And I'd just like to say

That there ought to be a law against you shooting off
your mouth

I don't invite you in but you still get into my house

You've got the world upon your shoulders, and the
weight upon your mind

Tell you something Oprah Winfrey,
there's more weight on your Bee...

Hope for a gun, hope for a gun

Hope for a gun just to kill, kill, kill, kill

Hope for a gun, Hope for a gun,

Hope for a gun just to kill Oprah Winfrey

Oprah Winfrey is the fattest most powerful woman on
the planet earth

It takes the entire guana canal and three cans of sweet
belts to feed =

oprah

every day

Oprah Winfrey, you are the Gross National Product.

I'll get my guns and ammo, cruise down through L.A.

Ask you for your autograph then blow you away

BLAM BLAM BLAM

When the cops pick me up and take me to the station

I'll tell them very simply that I did it for the nation

And, there's a reason for my plan, something that they
do not know

I'll sell the story of my life and guest star on Hiraldo

Oprah, Oprah, I want to, turn you off!

BAHHHHH!

Fire!
