You know we could last forever
Together 'til the end of time
An everlasting love just like the stories go
We'll make history you and I
A legend never dies

Tonight is the beginning
Our once upon a time
Like the stars we'll always light the sky
Like the heavens you and I
And a legend never dies
A legend never dies, na, na, na, na

Some things were meant to live on and on
That's how a legend survives
Na, na, na, na, na, na, na
A legend never dies

Yeah, we'll spread our wings and fly forever
'Cause a legend knows no time
And just like the stars we'll always light the sky
We'll make history you and I
A legend never dies na na na na

Some things were meant to live on and on
That's how a legend survives
We'll live on and on
Oh, a legend never dies

We'll live on and on
That's how a legend survives
Na, na, na, na, na, na, na
A legend never dies
