Shame, shame, shame, on you baby,
Turn around and see what you have done,
You've taken my time, drug it down the line,
Don't be so sure now that you've won,
Oh, you teased me, sometimes you pleased me,
but now I'm gone, gone, gone.

Chorus:

Took me, shook me, see what you've found,
I'm not gonna take no more foolin' around,
Rolled me, sold me, left me alone,
I'm here to tell you, I'm cold baby, I'm cold baby,
I'm Chilled to d'Bone.

Pain, pain, pain me baby, well it's just like cold steel
through my heart,
Whoa, you took your time, to twist it, now I find,
Never knew love could be so sharp,
Oh, you teased me, sometimes you pleased me,
but now I'm gone, gone, gone.

Chorus:

Took me, shook me, see what you've found,
I'm not gonna take no more messin' around,
Rolled me, sold me, left me alone, I'm here to tell you,
I'm cold baby, I'm cold baby, gettin' colder all the time,
Cold baby, I'm cold baby,
I'm Chilled to d'Bone.

Why are you doin' me wrong I want to know,
Why is your vengence so strong?
You turned your back on me so many times,
How could you think I could be so blind?

Took me, shook me, see what you've found,
I'm not gonna take all this foolin' around,
Rolled me, sold me, left me alone, I'm here to tell you,
I'm cold baby, I'm cold baby, I'm Chilled to d'Bone.

Well I'm Cold baby, yeah I'm gettin' chilly,
Ah, chilly, chilly to the bone
