Another day another dollar
after I've sang and hollered
Oh it's my way of living
and I can't change a thing

Another town is drawing near
Oh baby I wish you were here
But the only way I can see you
darlin' is in my dreams

It's a highway song
You sing it on and on
on and on

Well the hurt you leave behind
it's the hurt that's on your mind
Oh and last night's show
took its toll on me

Well the city lights fly by me
as I lay my body in my bed
Oh and dreams of you
dance through my head
It's a highway song
You sing it on and on
on and on
Highway song
is as lonely
as the road I'm on

It's those big wheels are ready to roll
We've be flyin' high and so low
Lord and all this madness
ain't crazy as it seems

Everywhere they stop and stare
I'm just a stranger on this road
Oh I stand alone only in my dream

Highway song
you sing it on and on
on and on

Highway song
is as lonely
as the road I'm on

(repeat)
