Ohhh

Yes I got off the plane in the pouring rain
And headed down for one more show
Well I jumped in a car with a built in bar
Had another diamonds to go
Well the wheels just a keep on a turnin'
And rode me to the backstage door

Well little mama (I'm on the run)
Yes I got no time for you now
Oh I gotta plan for my gun (I'm on the run)
See you before the morning sun
And, a spread the love, baby
Aha, cause I'm on the run

Well I was just a little lad, but I sure was game
Oh I loved to hear those people yell
One time, Back in my room I think I'll dust my broom
It's only an hour Lucille
She's got legs clean up to her headline
And I was wonderin' if she was around

(I'm on the run) Yes I got some time for you now
Oh I swear to my crown (I'm on the run)
And I feel the mornin' sun
Scuse me little mama, yeah,
Aha I'm on the run

Well, Its an early flight and I'm back on this plane
Oh yeah, and I think I'm going insane
My bird is full and loose and I'm ready to cruise
Its funny that I feel no shame
Well she tease me, please me, I almost died
She even drank my jelly roll down

Wait a minute now (I'm on the run)
Yes, I got no time for you now (I'm on the run)
Oh I've got to play for my crowd (I'm on the run)
Yes, and I see the mornin' sun and a
Scuse me little mama, Yes
For I'm on the run
Oh, spread your love

'Cause I'm on the run
Oh, scuse me baby, Yes
'Cause I'm on the run
