Feelin' low down and I'm drug out  
I'm feelin' hungry again  
I need a taste of your sweet lovin'  
I don't think it's a sin  
I don't need alot of lovin'  
I don't need alot of time  
I don't need much to speak of  
Let me love you, won't you be mine  
It's getting harder by the minute  
I been away too long  
It's after hours, you've got the power  
To keep me comin' on strong  
I don't need alot of lovin'  
I don't need alot of time  
I don't need much to speak of  
Let me love you, won't you be mine  
We're going down  
We're going down, to dine at the Y  
We're going down, we're going down  
Yeah, did you like it?, you didn't fight it  
I know it wasn't a sin  
You got the power, it's after hours  
I think I'm hungry again  
I don't need alot of lovin'  
I don't need alot of time  
I don't need much to speak of  
Let me love you, won't you be mine  
We're going down  
We're going down, to dine at the Y  
We're going down, we're going down  
We're going down  
We're going down, to dine at the Y  
We're going down, we're going down  
We're going down, we're going down  
We're going down, we're going down
