### "Christmas Shoes"

Visit "[Christmas Shoes](#)" on MotoLyrics.com

it was almost christmas time  
there i stood in another line  
tryin to buy that last gift for two  
not really in the christmas mood  
standing in front of me  
was a boy waiting anxiously  
pacing around like little boys do  
and in his hand he held  
a pair of shoes

and his clothes were torn and old  
he was dirty from head to toe  
and when it came his time to pay  
i couldnt believe what i heard him say

sir i wanna buy these shoes, for my momma please  
its christmas eve and these shoes are just her size  
could you hurry sir?  
daddy says theres not much time  
you see she's been sick for quite a while  
and i know these shoes will make her smile  
and i want her to look beautiful  
if momma meets jesus tonight
