Back in the same ol' bar where they said goodbye
Eleven years of lonely bottled up inside
Back in the same ol' bar where her world came to an
end
When she caught him with his lover and he swore she
was a friend
Now she knows he's got a wife and kids at home
But that didn't seem to stop him eleven years ago

And she'd love to be lyin' in his arms again
He says I'd love to but I can't
She knows he's lyin' and he'll soon be giving in
Cause she's been on the other end
So here's to lying once again

Back in the same ol' bar where they said goodbye
A little age upon her face but she still caught his eye
Back in the same ol' bar where he learned his lesson
well
How a night or two of Heaven could turn into a livin'
Hell
Now he tries to tell himself he's stronger now
But lookin' in her eyes he starts breakin' down

And he'd love to be lyin' in her arms again
She says I'd love to but I can't
He knows she's lyin' and she'll soon be givin' in
Eleven years of lovin' him
So here's to lyin' once again
Here's to lyin' once again
