A man-
-filled with doubt-
down and out and so alone

-A ship tossed and turned
lost and yearning for the home
-a survivor, barely surviving- not
really sure of his next move

all of this- I would have been-

If there hadnt been you

If there hadnt been you
where would I be
if there hadnt been you
here for me
I made it through times-
I never would have made it through-
if there hadnt been you

-a man filled with hope-
who finally knows where he belongs,
-a heart filled with love-
more than in dove to keep it strong
-a life thats alive again-no longer
afraid to face the truth
-all of this- i would have missed-

if there hadnt been you

if there hadnt been you-where would I be-
if there hadnt been you- here for me
I made it through times- I never would've made it
through
if there hadnt been you- on my side
-you in my life
-all my dreams would still be dreams
if there hadnt been you
all my dreams would still be dreams
if there hadnt been you.
