The sun don't shine on a rainy day
And I don't cry when you go away
Do I? not much anyway
The grass don't grow in the winter time
And I don't have you on my mind
Do I? not much anyways
Baby I'm believing
Maybe there's a reason that we met
Maybe it's the summertime
Maybe it's the season I can't forget
I can't forget you no baby it's you
I can't forget you no I can't forget you
I can't forget you lauralie
I can't forget you no girl it's you
I can love you all the time
Your love has made me blind
So blind oh so blind
I don't care what the people say
I'm going to love you anyway
Anyway everyday
Baby I'm believing
Maybe there's a reason that we met.
Maybe it's the summertime
Maybe it's the season I can't forget.
I can't forget you no baby it's you
I can't forget you no I can't forget you
I can't forget you lauralie
I can't forget you no girl it's you
