Life is like an old hotel
There's many rooms and hallways
I didn't know when I checked in
There'd be so much pain on so many days
Room service can you help me out
I can't seem to find the key
To the room that holds my heart
Open the door and set me free

I'm holding back my heart there's a vacancy
I'm holding back my heart baby can't you see
I'm holding back my heart I'm in misery
I'm holding back my heart holdin' it for you and me
Life is like a winding road
There's many turns and highways
When the road is closed and the bridge is out
You get lost and can't find your way
Please call emergency
I got this heart that won't start
you know it's stuck and I just can't get it to go
My life is falling apart
I'm holding back my heart there's a vacancy
I'm holding back my heart baby can't you see
I'm holding back my heart I'm in misery
I'm holding back my heart holdin' it for you and me

I'm holding back my heart I can't let you in
I'm holding back my heart it's just a sin
I'm holding back my heart it's full of love for you
I'm holding back my heart it's making me feel blue
