Did I catch you at a bad time,
Are you with somebody else?
I hate leaving messages it's like talking to myself
When we were together I had such a good time
I just had to call you cause you were on my mind.

So if you get this message please take the time
And give me one more chance and say that your mine
If you remember the good times the way that I do
Try to forgive me darling I'm missing you.

My heart's in dixie cause that's where you are
But I'm north of the border it seems way too far
Well I'm down and lonely my back's to the door
My hearts in dixie once more.
