(This how we do)

Aiy ya'll haters thought we weren't comin back wit' a
remix huh?

But we did it again, ya, ya heards

So we gon' take this one here ta the dance flo'

We got my homegirl Slanted Eyezz in here

And my self, Redd-iggity, and my dawg, Juvenile-
niggity

Aiy Juve show 'em dawg

[Juvenile]

It's time ta buck on 'em nigga on a night ta rain

Everything ain't all gravy, but I can't complain

Fuck the bullshit I wanna get paid fa' real

Not no pennies either I want me a major deal

I mean forty, sixty, eighty mil'

Money like a nigga in the NBA wit' skills, Whoa!

And Zoe gon' blow, then you gon' blow

And you can't buy just one, you gon' wan' mo'

Reppin' that Nolia, claimin' them Soljahs

Come through bustin' wit' Happy and Hola

My niggaz gon' feel me if they raisin' they guts

My women gon' feel me if they laid in the cut

Wat'chu holdin' that weed fa' blaze the bitch up

If you runnin' out of liquor, nigga fill up ya cup

It's Redd-iggity, and Juvenile-niggity

And we came here ta get this bitch off the higgity

[*Hook - Juvenile + (Slanted Eyezz)*]

Representin' where you from shouldn't be that hard

Put yo sets in the air, let me see ya'll boys

All my good pussy women, if ya fucks wit' me

It should be that fuckin' hard ta throw it up wit' me (Put,
yo, sets, up)

Where ya from muthafucka where ya from

Put yo sets up (Where ya from)

Where ya from muthafucka where ya from

Put yo sets up in the air (Where ya from)

Where ya from muthafucka where ya from

Put yo sets up (Where ya from)

Now Raise 'em up, Raise 'em up (Where ya from)

[Redd Eyezz]

(That's Right, uh-huh, check me out)

It's the city of pretty women, ass shakin' in tight denim

The clubs be thick, pick a chick, bet I can bent 'em

My click, big spendin' in the V.I.P.

Our hoes, Get, Frea, - Ky

[Slanted Eyezz]

These niggaz cling ta my ass, they see a jazzy bitch

Now hoe +Drop It Like It's Hot+ and represent 'cho click

In the cut V.I.P. Eyezz roll in this bitch

Got Juve ta my right, wit' a couple ounce and a splif

[Redd Eyezz]

Now if that pussy good, let me see you bounce ta this
shit

We drink Belvy-thuggin'-twistin' and smoke a ounces of
cryp

Put yo sets up, like yo hood drownin' and shit

I swear ta God, if you grab niggaz, flip that scrip

[Slanted Eyezz]

See I'm a good pussy bitch, you can't go wrong wit' me

And if it's a hotter miss, I'm still waitin' ta see

I'll make me these niggaz love me huh, one way or the
other

Whether I be talkin' slick, or we under the covers

[*Hook - Juvenile + (Slanted Eyezz)]

[R] Dirty South Baby, and yo mouth drives me crazy

[S] I know I got these hardcore hits, you'll leave ya lady

[R] Ssshit, you must be crazy, you must think you
sunshine

The kind that make me call all my girls in Carolina

[S] In due time you'll see you wanna roll wit' me

I keep them pockets real fat, I'm reppin' thugs and G's

[R] I'm one of the few thugs, Crips and Bloods, show
love

We bang like Sub open, Star Sets on dubs

Chick, get naked baby show me some love

Wind yo waist ta the beat while I grab on ya butt

Look, it's Redd-iggity and Juvenile-niggity

And we came here ta get this bitch off the higgity

[*Hook - Juvenile + (Slanted Eyezz)*]
