I got a few extra dollars that I can play with
And there's no one I'd rather spend them on than you
So how about I pick you up at eight dear
We'll find a candlelit table for two

I'll buy you a rose and a bottle of champagne
In hope that you will see what I'm trying to explain
Nobody else can make me feel that way that you do
I'm so in love with you

I know a place after dinner to go dancin'
Where the spinnin' ball cast stars around the room
We'll do the lovers waltz until they close dear
Then go parkin' just like we used to do

We'll ask Mr. Moon to keep the clouds away
So that you can see my eyes by his light when I say
Nobody else can make me feel the way that you do
I'm so in love with you
I'm so in love with you
