We've been working real hard and the bills are caught  
up

For three weeks at church we've been sitting up front  
Even had your Mamma over for lunch  
We've been good little angels but enough's enough

It's early to bed and early to rise  
Crossing out T's and dotting out I's  
We've paid out dues and we've paid our tithes  
But for goodness sake it's Friday night

We need time off from good behavior  
Spend a li'l too much stay up a lot later  
Get a little naughty, do ourselves a favor  
Take a little time off from good behavior

We've been all wrapped up in our daily grind  
We'll come unwound if we don't unwind  
We'll mind our P's and Q's some other time  
I think a little R and R's in line

We need time off from good behavior  
Spend a li'l too much stay up a lot later  
Get a little naughty, do ourselves a favor  
Take a little time off from good behavior

We need time off from good behavior  
Spend a li'l too much stay up a lot later  
Get a little naughty, do ourselves a favor  
Take a little time off from good behavior
