I'm going to take my time.
I don't care if this song rhymes.
You can stand line. I don't mind.
I'm not in a hurry to get things done
I never worry. you won't make me run.
And you can't rush me
You can't push me 'round.
You can't crush me
You'll never put me down.
I'm livin' on a planet.a planet of my own
If ya feel like me? you're not alone.
I'm going to reach for the sky
I'm going to reach so high
I'm going to reach for the sky, so high
And you can't rush me
You can't push me 'round.
You can't crush me
You'll never put me down.
