Verse 1

Been going to church for a long time

Sitting in the pew with a chosen few

You mocked and you jeered what the
preacher's said

Ignoring the importance of God's holy word

But the preacher kept preaching,

And the choir started singing,

There's room at the cross for
you

Verse 2

Something inside you begins to burn

You hear a soft voice calling your name

It's time my child, come on to
me

Then another voice began to speak

Now you're sitting confused,

Don't know what to do

Still, There's room at the cross for
you.

And your soul wants to cry,

Chorus

Forgive me Lord

I've strayed so far from you

Forgive me Lord, forgive me Lord

Forgive me Lord

I don't know what to do

Forgive Lord, forgive me Lord

Forgive Lord

I cannot make it without You

Forgive me Lord, forgive me Lord

Verse 2

Something inside you begins to burn

You hear a soft voice calling your name

It's time my child, come on to
me

Then another voice began to speak

Now you're sitting confused,

Don't know what to do

Still, There's room at the cross for
you.

And your soul wants to cry,

Chorus

Bridge

I offer my life

As a living sacrifice

I will be still,

And let You conform my will

But please Lord

I'm begging You please
