I cannot understand how much you love me

I cannot comprehend how much You care

No this feeble mind cannot contain

The wonders of Your mercy

The price You paid

The life You gave

The ransom of

This perfect love

Chorus

This is the mystery of

The act of love

The gift of my salvation

That You should come to earth

Through virgin birth

The God of all creation

And go all the way to Calvary

In my stead, to die for me

The plan of God

That through Christ's blood

We'll live eternally

Love's mystery

Verse 2

Behold we look through glass that seems so cloudy

We only know in part and not the whole

But face to face one day, we'll be

With Jesus Christ our Savior

And the mercies shown

Will all be known

God's perfect plan, we will understand
